

Flu Shot Clinics!

Baltimore City Health Department

in partnership with

Maxim Health Services

will be offering flu shots to seniors age **65** plus and persons with disabilities who have Medicare Part B or Humana Gold Choice.

This will also include **Seniors of all ages** with the following insurance: Aetna, Premera Blue Cross, SummaCare, Universal Health Care. Individuals will need to show their Medicare and/or insurance card *and* complete a consent form to receive their flu shot with no out of pocket expense.
